

Introduction and Objectives

Welcome to the 6th consecutive event of the International Conference on Civil Engineering for Sustainable Development (ICCESD 2022) organized by the Department of Civil Engineering, Khulna University of Engineering & Technology (KUET), Khulna, Bangladesh. The 1st, 2nd, 3rd, 4th & 5th events of the ICCESD conference were held in 2012, 2014, 2016, 2018 and 2020 respectively, and received more than 200 delegates from all around the world in each event. ICCESD aims to provide a platform for exchanging ideas on latest advances in research and innovations, as well as state-of-the-art information in the fields of Civil Engineering among Academicians, Scientists, Researchers and Civil Engineering practitioners. The 6th conference will be held on 10 -12 February 2022 by staging in hybrid mode: online and on-site at KUET Campus, Khulna, Bangladesh (if circumstances permit).

Conference Themes

The ICCESD 2022 conference focuses on a wide range of issues of Civil Engineering to enhance the knowledge-base, increase awareness, explore new ideas and thinking. The technical sessions will consist of plenary and keynote lectures, in which both the leading experts and young researchers will present state-of-the-art reviews of rapidly-developing and exciting areas, report the latest significant findings and developments in all the major fields of Civil Engineering as follows:

- **Structural and Earthquake Engineering**
- **Geotechnical and Foundation engineering**
- **Road, Bridge, and Railway Engineering**
- **Transportation Planning and Traffic Management**
- **Environmental and Ecological Engineering**
- **Water Resources Engineering**
- **Structural and Fire Safety Engineering**
- **Architectural and Building Services Engineering**
- **Sustainable Materials and Technology**
- **Aerosol and Air Pollution Engineering**
- **Construction Engineering and Management**
- **Geoenvironmental Engineering and Management**
- **Marine Hydraulics and Coastal Engineering**

Abstract Submission

An abstract, within a maximum of 400 words (one page) should be submitted electronically at the conference website (www.iccesd.com).

The abstract should state briefly the purpose of the research, methodologies, the principal results and major conclusions with a maximum of five (05) keywords. All contributing authors should be listed with their affiliations and email addresses and with the indication of the corresponding author with complete postal address.

Publication

Author(s) of accepted abstracts, need to submit full paper in the specified templates. Based on the merit, the accepted papers will be published in the following forms:

- Selected articles in *AIP Conference Proceedings (Indexed in SCOPUS, Web of Science and Scimago)*.
- Selected articles in a special issue of the *Journal of Engineering Science (JES)*.
- All Abstracts as a printed book proceedings.
- Full papers as post-conference e-proceedings in the conference website.

Official languages

The official language of the conference is English. All submissions, presentations and discussions shall be in English.

Key Dates

Abstract Submission Deadline	2 September 2021
Abstract Acceptance Notification	15 September 2021
Full Paper Submission Deadline	15 November 2021
Full Paper Acceptance Notification	15 December 2021
Full Paper Camera Ready Version Submission Deadline	10 January 2022
Registration Deadline	20 January 2022
Date of Conference	10 -12 February 2022

Registration

Registration is mandatory, by paying the required amount of registration fees, within the specified deadline (**20 January, 2022**) to participate in the conference as well as to publish the executive summary and full paper in the conference proceedings.

Current students need to submit a document issued by the Head/Chairman of the respective department on Official Letterhead as a **Proof of Current Studentship** at the Registration/Reporting Desk during the Conference.

Fees

International Delegates (Author/Participant)	USD 50
Local Delegates (Author/Participant)	BDT 3,000
Students will get 50% waiver for both categories	

International Advisory Committee
